HEC-350TP-1WX

Technical Details

These power supplies are designed for Intel ® Standard ATX12V Ver.2.2 and support the latest processors and PC systems. They provide a high combined power on +3.3 V and +5 V and have two high output ratings on +12 V. The Ultra Quiet technology provides automatic load and temperature control for a very low noise (~ 21dB (A) at typical load) and optimum cooling.

Features:

- The highly efficient power supply has multiple protection features
- low noise level
- Efficiency: ~ 75% at typical load
- Input current: 230 Vac, 50 Hz (200-240VAC)
- CE TÜV certified
- compliant with ROHS requirement

HEC-350TP-1WX

Spezifikationen

Model	300TP-2WX	350TP-2WX	400TP-2WX	350TP-1WX	400TP-1WX	450TP-1WX
24 Pin Mainboard (20+4)	1	1	1	1	1	1
12V 4Pin (P4)	1	1	1	1	1	1
4 Pin P-ATA	3	3	4	3	3	4
